Re: Your letter of September 18, 2007

Dear Mr. Tessitore:

I received my copy of your above referenced correspondence.

As you are aware, the City of Aurora is involved in litigation in federal court with respect to Planned Parenthood's ability to occupy the building at 3051 East New York Street. While this matter is pending before Judge Norgle we will maintain the status quo as to occupancy of this site until the hearing tomorrow, September 20, 2007.

Based upon your complaint however, I have assigned an employee to visit the property and ascertain whether or not the property has been opened for business contrary to what was agreed before Judge Norgle in court on Monday. If the site has been opened for business, we will relate that information to Judge Norgle in court tomorrow.

Sincerely,

Alayne M. Weingartz
