**RE: Planned Parenthood Occupancy at 3051 East New York Street**

Dear Mr. Beneke:

As you are aware, the temporary occupancy permit for the property located at 3051 East New York Street expired yesterday. As a new occupancy permit has not been issued, there is no legal right to occupy the current structure in any capacity. I have been informed today that individuals are currently occupying the subject property. This letter is a formal demand for the City of Aurora to enforce its ordinances against the unlawful occupation of this property.

I trust that you will see to it that this matter is taken care of expeditiously. If you have any questions or concerns regarding this matter, do not hesitate to contact me.

Very Truly Yours,

Vincent A. Tessitore
