

# DE-FUND PLANNED PARENTHOOD RALLY - APRIL 7, 2011 - 7AM - 7PM

Pro-Aborts are outraged about the potential defunding of Planned Parenthood by Congress. As a result, NARAL (National Abortion Rights Action League) is vowing to bring 5,000 of their activists from across America to lobby Congress on **Thursday, April 7** to maintain funding for Planned Parenthood, the flagship of the Abortion Industry.

To counter their efforts, we have obtained a permit to set up our huge 11 banner GAP (Genocidal Awareness) display depicting the grizzly evil truth about abortion **in the Senate Park (Section 7) directly behind the Russell**

**Senate Office Building**. This powerful display will be there from 7 am to 7 pm. We will be in the same area that the NARAL/NOW Feminists will be using as their launching pad to lobby Congress.

Not only will our display be in their faces, but thousands who work on Capitol Hill and thousands of tourists will see our graphic banners as well. If you walk from the Union Station area to the Russell Senate Office Building, you will walk right past our display.

I urgently need your help in these 3 ways:

1. **Help staff the GAP display in Senate Park.** We need about 50 persons to do this. The hours are long, from **7 am to 7 pm**, so bring lots of friends.
2. **Volunteers to lobby Congress that day.** We will give you a great handout to distribute as you go from one office to another. We need about 90 persons to lobby in pairs, 60 on the House side and 30 on the Senate side. Come to the GAP display to get the flyers you need and to find out exactly what building and offices to go to so we do not duplicate our efforts.
3. **Recruit others by distributing this flyer and making lots of phone calls to PRO-LIFE friends.**

What we do or do not do on April 7 could mark a real turning point in our battle to defund Planned Parenthood.

Please contact Missy Smith 202-288-4984 / 202-337-1966 / MReillySmith@Gmail.com and let Missy know I can count on you.

See you on April 7!
